INSTRUCTIONS

When you purchase a qualified Yukon Gear & Axle 2020 Spring Rebate product between the dates of **February 17, 2020** and **April 30, 2020**, you are eligible for a Manufacturer's Rebate from Yukon Gear & Axle® paid via a Yukon Gear & Axle Prepaid Mastercard®.

Offer valid for qualifying purchases between **February 17, 2020** and **April 30, 2020**. Rebates must be submitted no later than **May 31, 2020**.

COMPLETE REBATE FORM

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Email address: _____

☐ Yes, please send me future offers and promotions from Yukon Gear & Axle.

Phone number: _____

Part Number submitted for rebate: _____

(Itemized on your receipt)

To confirm rebate part numbers, go to: www.yukongear.com/spring20rebate

Year: _____ Make: _____

Model: _____

SEND VIA MAIL OR SUBMIT ONLINE

Submit online at www.rapid-rebates.com/yukongearrebates:

Follow the instructions on the site to complete the online rebate form and upload a copy of your original store identified receipt that clearly shows product(s) purchased and purchase date, dated between 2/17/20 and 4/30/20.

Submit via mail and include:

1. This completed form.
2. Original store identified receipt dated between 2/17/20 and 4/30/20, with the products circled. Keep a photocopy of the receipt for your records.

Mail to:

Yukon Spring Offer
Dept # RW20-6094
PO Box 472
Scottsdale, AZ 85252-0472

To check the status of your rebate please visit:
www.rapid-rebates.com or call 1-800-619-4703.

Rebate will not be accepted on purchases through Amazon.com.

*TERMS & CONDITIONS: Requests must be postmarked by 5/31/20. Offer valid in the US only. All rebates paid in USD. Void where taxed, restricted or prohibited. PO boxes will not be paid, except in North Dakota. Allow eight to ten weeks after mailing for delivery of your prepaid card. Limit two rebate per product and one offer per name/household/address. Sponsor or their agent may, at their discretion, pay this claim with a check instead of a prepaid card. Yukon Gear & Axle reserves the right to confirm identification and request additional proof of purchase to substantiate claim. Fraudulent submissions could result in federal prosecution under US Mail fraud statutes (18 USC Sections 1341 and 1342).

This Card is issued by Sunrise Banks N.A., Member FDIC, pursuant to a license from Mastercard International Incorporated. Mastercard is a registered trademark of Mastercard International Incorporated. Use of this card constitutes acceptance of the terms and conditions stated in the Cardholder Agreement. Cards will not have cash access and can be used everywhere Mastercard debit cards are accepted.

QUALIFYING PRODUCTS

Yukon Spin Free Kit

\$175 Rebate

- Yukon's top of the line Hub conversion kit uncouples your wheels from the front axle, letting it operate more efficiently, reducing drag for a smoother ride and boosting fuel economy
- Replace your inaccessible, worn and vulnerable factory unit bearings with our complete Yukon Spin Free kit that comes with our toughest outer axles forged from 4340 Chromoly Steel, and forged hubs on most applications.
- Clean and sleek, this kit includes Yukon Hardcore Locking Hubs that let you engage into 4WD to play hard and easily disengage for the road back home

Yukon Front Axle Kits

\$100 Rebate

- Next-level strength and toughness from 100% 4340 Steel that undergoes Yukon's stringent proprietary heat treatment process and in-house torque testing
- Tight tolerance yoke-end is the trick to a properly fitted u-joint that won't vibrate or loosen
- Smooth and precise bearing journals are the secret to maximizing bearing and seal life, thanks to Yukon's unique surface finishing treatment

Yukon Zip Locker

\$75 Rebate

- Yukon's most impressive locker yet, forged from an entirely steel case to protect the internals with minimal deflection and maximum strength
- Air-operated intelligently designed locker, compact air compressor sold separately
- Bevel gears are optimized using our specialized design software to create a stress balanced tooth design that promotes superior strength and eliminates weak links
- Designed to handle extreme torque and shocks loads, heat treated 4320 & 9310 steel bevel gears and lock ring let you unleash power and stay locked until you disengage the locker

Yukon Grizzly Locker

\$50 Rebate

- Tear it up with our Grizzly Locker's heat treated 8620 & 9310 Steel internals designed to dominate extreme torque and shock load
- Premium alloy steel and nodular iron cases are designed for performance quality strength with minimal deflection
- Large inner-clutch teeth are stronger than back-cut designs by 350%, allowing great resistance to shock load or broken axle failures

Yukon Driveshafts

\$40 Rebate

- Provides the highest quality performance driveshafts
- Double cardan joints and high strength steel allow for increased articulation to accommodate lifts, reduced vibration, and improved durability on the trails
- 1310 – 1410 U-joints sizes available for high strength
- Available for JK, JL, and JT Jeep models

Yukon Locking Hubs

\$40 Rebate

- Built for extreme off road, pulling, and performance featuring chromoly internals and steel construction for ultimate durability & strength
- Manual locking hubs provide the selectability between open axles for improved gas mileage, and reduced wear, and locked axles for maximum traction and grip when off-roading or towing
- Engagement comes from just a 1/3 turn of the all-steel, low-profile bezel to reduce impact with obstacles
- Proprietary coating on the locking gears for decreased friction & long life
